Dear Members, Businesses and Residents:

It is time for our annual membership drive again. We want to thank all of you for your incredible support of our community, even through these challenging economic times. Because of all of you the Shaver Lake Chamber of Commerce has remained a viable entity in our community.

The membership fees remain the same as last year. You will notice there is a space for donations to the Fireworks and Santa's Village. These donations are kept separate from the general fund and used only for these specific events.

We want to encourage those of you who are not business members or individual members to become a part of the Shaver Lake Chamber. We hope that you will take the time to view the benefits of becoming a member and join.

Enclosed is an update of the Chamber's events and current status. Please take the time to review the membership and sponsorship applications and return in the enclosed envelope.

The Board of Directors looks forward to your suggestions on how we can work together as a community for what is best for Shaver Lake and the mountain communities.

Thank you again for your continued support.

Sincerely,

Rita A. Rich, RN, Psy.D.,

## SHAVER LAKE CHAMBER OF COMMERCE UPDATE

The summer events were a tremendous success. The Brewfest, chaired by Marcia Swinger, brought in more people and raised more money in spite of the cool weather. The Fourth of July was a huge success thanks to all of your extremely generous contributions and those who volunteered their time and energy, especially Rich Bailey and Ed O'Neill.

The Car Show, chaired by our newest volunteer, Dick Meyers, also netted more income this year and there were a record 89 cars participating. The Logger's Jamboree chaired by Jeff Matthews had another great year. Unfortunately, the wine tour has been postponed until 2010.

The Chamber continues to operate out of the same office, leased by Dana Smith, Coldwell-Banker Shaver Lake Real Estate and Shaver Lake Vacation Rentals. He has generously continued to allow the Chamber to maintain a presence at no charge on a month to month basis.

The Chamber is in constant need of volunteers. Volunteers are what keep the Chamber viable. Currently there is a need for board members (4 vacancies); Volunteers to share the responsibilities for Santa's Village are needed immediately in order to sustain this beloved event. Volunteer assistance is needed with Membership, the Dog Sled Races, Event Volunteers, and a high need for office support.

The goal of the Chamber is to support local businesses and is dedicated to diligently promoting our resort communities.

Our new interactive website has been a work in progress, but the site is experiencing a high level of visitors. Please visit [www.shaverlakechamber.com](http://www.shaverlakechamber.com). Business members are able to have a link to their website and now have the opportunity to purchase advertising on the home page. Please visit the site and send your comments.

The Chamber is grateful to all of you who have so faithfully supported the chamber for many years. Your support and guidance are invaluable.
