**BILLING RIGHTS SUMMARY**

**WHAT TO DO IF YOU THINK YOU FIND A MISTAKE ON YOUR STATEMENT**

If you think there is an error on your statement, write us at:

7100 N. Financial Dr., Ste. 101  
Fresno, CA 93720

In your letter, give us the following information:

**Account information:** Your name and account number. **Dollar amount:** The dollar amount of the suspected error. **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing. You may call us, but we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

We cannot try to collect the amount in question, or report you as delinquent on that amount.

The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.

While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

We can apply any unpaid amount against your credit line.

**REPRESENTED ITEMS**

When an item drafted by you (such as a check or preauthorized debit) is presented for payment and it exceeds the amount of funds available in your account, that item may be returned to the sending bank or merchant and may be subject to a Non-Sufficient Funds Fee also known as NSF. Please be aware that the item may be re-presented to us multiple times for payment resulting in recurring NSF fees. There is no limit to the number of times the item can be re-presented in an effort to be paid. It is not our intent to charge you multiple times when the item is re-presented for payment; however, we are unable to differentiate whether an item is a first time presentation or a re-presentation. **Please review your account statement and if our system charged you an NSF fee after the item was first presented, notify Customer Service at (559) 298-1775 or your local banking center and we will reverse the NSF fee.**

**IMPORTANT INFORMATION ABOUT YOUR OPEN END CREDIT LINE, IF ANY (EXCLUDING BUSINESS PURPOSE LINES OF CREDIT.)**

This statement covers the period through the statement date shown.

**Method Used to Determine the Balance on Which Interest Will Be Computed.** We figure the interest charge on your Credit Line Account by applying the periodic rate to the "daily balance" of your Credit Line Account for each day in the billing cycle. To get the daily balance, we take the beginning balance of your Credit Line Account each day, and any new advances and subtract any payments or credits and any unpaid interest or other finance charges. This gives us the "daily balance."

**Method of Determining the Amount of Interest Charges.** The interest charged to your Credit Line is determined by applying the applicable daily "Periodic Rate" to the balance described herein. Then we add together the periodic interest charges for each day in the billing cycle.
