REPRESENTED ITEMS

When an item drafted by you (such as a check or preauthorized debit) is presented for payment and it exceeds the amount of funds available in your account, that item may be returned to the sending bank or merchant and may be subject to a Non-Sufficient Funds Fee also known as NSF. Please be aware that the item may be re-presented to us multiple times for payment resulting in recurring NSF fees. There is no limit to the number of times the item can be re-presented in an effort to be paid. It is not our intent to charge you multiple times when the item is re-presented for payment; however, we are unable to differentiate whether an item is a first time presentation or a re-presentation. **Please review your account statement and if our system charged you an NSF fee after the item was first presented, notify Customer Service at (559) 298-1775 or your local banking center and we will reverse the NSF fee.**

IMPORTANT INFORMATION ABOUT YOUR OPEN END CREDIT LINE, IF ANY (EXCLUDING BUSINESS PURPOSE LINES OF CREDIT.)

This statement covers the period through the statement date shown.

Method Used to Determine the Balance on Which Interest Will Be Computed. We figure the interest charge on your Credit Line Account by applying the periodic rate to the "daily balance" of your Credit Line Account for each day in the billing cycle. To get the daily balance, we take the beginning balance of your Credit Line Account each day, and any new advances and subtract any payments or credits and any unpaid interest or other finance charges. This gives us the "daily balance."

Method of Determining the Amount of Interest Charges. The interest charged to your Credit Line is determined by applying the applicable daily "Periodic Rate" to the balance described herein. Then we add together the periodic interest charges for each day in the billing cycle.
